Welcome to the Carnival Special edition of the Kings Hedges Community News

In this Edition find out what's happening at the Arbury Carnival on Saturday 13th June. Many local groups, schools, churches and organisations turn up to the carnival to either perform, have a stall or join in with the popular procession. Organisers have been working extremely hard to put on another great event for the area-see inside for more events and activities that are happening over the summer.

The carnival also sees the launch of Kings Hedges Neighbourhood Partnership's re-usable bag campaign, a bid to see a reduction in the number of carrier bags used in the area-find out more inside!

Well whatever you do this Summer whether it's going on holiday or staying at home remember to check out what's on in your Community-there is something for everyone and many activities or events are FREE or of very little cost.

'Not Quite Over The Hill Club'

Welcome to all our over 55 readers!

Hi again to everyone!

Well I think Spring is at last in the air. The last few days have been lovely. Puts a different aspect on life, don't you think?

I do hope our new members are settling in and enjoying the club. Sometimes there is a difference of opinion in the club, but all I want and I'm sure you all feel the same, is a happy friendly club. You as individuals are all important-Don't forget!

Well on a more happier note, lots to look forward to yet, outings, parties and comradeship, holidays too!

I would like to say although I will be absent for a couple of weeks, Roy will do a good job, along with the Committee and other helpers. It is great to have a supporting team.

Don't forget the 'Arbury Carnival' another place to meet up, and have a cuppa in the café! I would like to take this opportunity to say a big Thank You to you all for your support and good wishes after what happened to me, very much appreciated.

Well we have just returned from our holiday in Folkestone, WOW! What a great time we had, all old friends together, laughter, singing, no arguments-one of the best we have had!

Quite a lot of you let your hair down and joined in, was great to see you all so jolly. Even the gentleman took to the floor, well - done folks-you really are a great crowd!

Well I shall sign off now as I need to get this article in for the printers. See you all soon. Take Care my friends. Love
Bette (Burchell).

THE HEALTHY LIVING PROJECT

Healthy Living... do you hear the words and switch off? How about the credit crunch?

What about thinking of those two things in the same sentence, and trying to live a healthy life, whilst saving money? In the North of the City, the Community Development Neighbourhood Team always aim to make all our events and projects as 'healthy living' friendly as possible.

Healthy Living means all aspects of what makes us feel good and the credit crunch means a lot of people feel stressed and worried, which is bad for all aspects of your health! Healthy Living means taking into account how you feel physically, mentally, financially, socially... every aspect of what makes you feel good about life and in good physical and mental health.

We aim to keep our events and projects as cheap as possible and in some cases, free. We aim to offer fun things to do, that take health into consideration and make keeping healthy a natural thing that blends into your life easily and doesn't feel like a chore. We aim to offer food options at our events and projects that are balanced, good to eat, tasty and still good for you. Taking on board that a bit of what you fancy does you good... even cake, chocolate and sweets can be good for you if you don't eat too much of it!

And that will be the theme of our Arbury Carnival stall this year... ' a bit of what you fancy does you good' come and check us out. Come and see what we've got coming up and what we've done over the last year. Fill in your top tip for saving money or environmentally friendly tips and you have a chance to win a £10 munch box voucher and be one of 12 credited people to have tips printed in the Kings Hedges Healthy Living Calendar 2010. We will also have an interactive questionnaire, so we can understand better how people find out about the events and projects we run, so come along and stick a few post-it notes on our interactive wall and collect your info sheet and free bag from the Kings Hedges Neighbourhood Partnership. We will also have a representative from the North Area Committee there to answer questions about what it is, what it does and how YOU can get involved if you want to.

Hope to see you there!

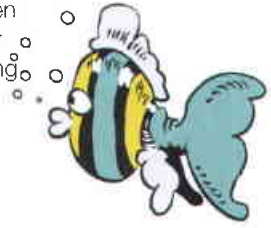
Ingredients

For 8 fish cakes you will need:

500g	Potatoes
50g	Butter
1	egg yolk
75g	Plain Flour
200g	Can tuna, drained
200g	fresh or frozen sweetcorn cooked
1	bunch spring onions trimmed and chopped
	Salt and Pepper
150g	Breadcrumbs
1	egg beaten
	Sunflower oil for frying



1. Peel the potatoes and cook them in a big pan of boiling salted water until soft. Drain and then add some butter and mash them well, taking care not to leave any lumpy bits! Stir in the egg yolk and flour.
2. Put the tuna, sweet corn and spring onions into a bowl and add the potato mixture. Give everything a good stir and season it with some salt and black pepper.
3. Form the mixture into 8 ovals and then pinch the fishcakes at one end to make a tail, so you have a fish shape. Pop them into the fridge and allow the cakes to chill and firm up for 30 minutes.
4. Put the breadcrumbs onto a flat surface or big plate. Dip the fishcakes into the beaten egg and then into the breadcrumbs until they are covered completely. Carefully fry the fish cakes in sunflower oil for 3-4 minutes on each side until golden brown

Volunteers needed

Cambridgeshire Mencap is seeking volunteers to support young people with learning disabilities.

You could assist someone to go to the cinema, attend a youth club, go swimming, play sport, or do any number of fun activities. Your support could help develop the young person's self-confidence, social skills, and level of independence in the community.

If you are aged between 16 and 30 and can spare a few hours every fortnight then you could do something new, or something you already do and enjoy, whilst making a BIG difference in a young person's life.

BURGLARIES

Creating a safer Cambridgeshire

The number of burglaries since the last newsletter has dropped in the area. Please be reassured that even though the amount of burglaries has decreased, we are still being very proactive and stopping known burglars, still searching people and houses and will keep patrolling in your area. Please remain vigilant and report anything that is suspicious. Also remember to close and lock your windows and doors, even if you're just popping out for a few minutes. It only takes a few seconds for your house to be broken into and items to be taken.

POLICE SURGERY

On the last Wednesday of every month, either ourselves or one of our colleagues in the north police team will be holding a 'surgery' at Arbury Court between 11am and 1pm. Please do come and say hello, and voice any concerns or questions you may have. Whilst we're there, Pauline Grounds from the Mediation Service will be in Arbury Court Library if you have any disputes with neighbours and wouuld like some advice and free mediation.

IMMOBILISE

If you have access to the internet, you can register any property you have that has a serial number on it. This includes bicycles, mobile phones, laptops, power tools, MP3 players, etc. Go to www.immobilise.com and register for free. Although this takes a bit of time at the start to put all your property on, once this is done, all you need to do when you buy something new is log on to the Immobilise website and add that serial number on.

If you want any more information about Immobilise, or any crime prevention advice, please do not hesitate to contact us.
